ABOUT US

Meghdoot Premium Appliance, synonymous with trust and quality, is a promise of excellence, a commitment of providing the best to its customers and dealers. A journey that started 5 decades back with a vision to grow and develop led to the establishment of manufacturing premium home appliances (Summer & Winters) at affordable prices for the masses. Our belief in 'Vocal for Local' and relentless determination has made Meghdoot a household name across Uttar Pradesh, Nepal, Madhya Pradesh.

To continue to grow its market share in the core business of premium summer & winter appliances manufacturing ultimately eyeing at regaining leadership in this product segment and simultaneously gaining a respectable market share in the domestic appliances and other synergetic product lines.

The Company would continue to strive its hard to deliver the quality products and superior service to its customers aiming enhancing the customers' delight. Continue to grow profitably and responsibly and also always be a good Corporate Citizen of the country.
